

Saskatchewan *Aboriginal Storytelling* February 2010 **Month**

Circles Close by Leah Dorion

What is Aboriginal Storytelling?

For Aboriginal people, storytelling is both a gift, and a very old custom, sanctioned by the people to teach, entertain, and remember.

Throughout February, First Nations & Metis storytelling events are going to be held in schools, libraries, and community organizations throughout Saskatchewan.

Provincial Launch

February 2, 2010 @ 1pm

**First Nations University-Saskatoon Campus
710 Duke Street, Saskatoon, SK.**
